**Susi Kugler** lit a candle in honor of Deana.

I will forever remember Deana's sparkling smile. Her whole face would light up when she did; and that lit up a room. She was such a little firecracker. Truly one in a million, her incredibly grateful and caring ways will stay with me always. I loved the way she'd yell one minute and then not be able to keep a smile off her face.

As so many others, I loved that woman so very much. She'll live on with us through her amazing Wendy. Sty in peace, Dear Deana. We love you. Susi
