James Kurt Hill, age 82, passed away on January 22, 2018. Kurt was the school sweetheart and loving husband of 60 years to the late Marilyn Hill, proud father of Leslie Narduzzi (Jerry). Grandfather of Nikki Ning (Jerry), Samantha Narduzzi and Anthony Narduzzi. Great-grandfather of Ava Ning. Kurt was preceded in death by his mother and father, Hazel and James W. Hill, and is survived by his sister Jane Outcalt. Kurt graduated from Purdue University in 1957 with a degree in engineering and served in the US Air Force, stationed in Wiltshire, England. His sense of leadership, curiosity about the world, and avid love of learning stayed with him throughout his life. Kurt was a lifelong resident of Independence and enjoyed dedicating time to his community, serving on both Independence School Board and the board of the Educational Service Center of Cuyahoga County. Kurt cared deeply for his family, friends and community; his big heartedness, optimism, and sharp intelligence will be deeply missed. Funeral arrangements will be private. In lieu of flowers, please send donations to the American Cancer Society.

To the family of Kurt and Marilyn Hill.....my sincerest condolences on the sudden passing of your parents. Kurt and Marilyn were my neighbors for about 12 years and I was so saddened to hear of their passing. Kurt had called me when Marilyn was taken to the hospital and we spoke again after her passing. I didn't see her often, but she always had a sweet smile and a wave when she was out and about with Kurt. He took such loving care of her! And Kurt was a wonderful guy with a great sense of humor and sense of community. He took such great care of his property and the neighborhood. He was instrumental in helping me acquire my home across the street and looked out for me often. I will miss our driveway chats and watching him work in the yard from morning until night. I have known Kurt since I was a child and enjoyed getting reacquainted with him in recent years as neighbors once again. Please call on me if I can help in any way. Peace and prayers to you all.Nadine Pekarek

Knowing Kurt through his life long friend Ray Spirek as well as meeting Marylin in a chance encounter during high school provided me with a belief in the good people of this world. Lots of laughs and great convo everytime. Does anyone remember when he wanted to weld some rain gutters on the car because it wasn't designed properly? Lol. The world was blessed with their lives and accomplishments. God love you all.
