My memory of Rose is of a beautiful, graceful women that welcomed others with a fierce warmth. She had such a gracious kindness that always made you feel special when you were in her presence. Underneath her generous exterior, I also saw an incredible women that persevered under the hardest of circumstances, leading her family and all others with such grace and strength through trying times. I am glad to have had the chance to know her and be touched by her compassion. Though our time together was brief, she made a lifelong impact on me and she will never be forgotten. Rest in Peace Rose, with love and admiration, Regina Klenjoski-Schmidt

August 25, 2018 Arturo, May "GOD" bless you and the boys and keep all of you in his care. I was blessed to grow up with such a wonderful cousin as Rose. We were raised side by side together and thus experienced many firsts as children. Rose, Ron, Jan and I had so much fun doing things together and running back and forth between our houses. Your 54 years together were special. You and her were truly a special couple and raised a wonderful family. Our thoughts and prayers are with you. She will be missed and her picture and memory will always be in our hearts and mind. Love Joan & Chuck Las Vegas, NV

I met Rose when my son, John, was in school at Padua. I volunteered and she kept me busy! Then some years later we started going to lunch together several times a year with Barb Dworznik, Kathy Kasl, Eileen Hribar and a few others. The faithful friendships remained with five of us meeting for some years now. We shared good times, sad times, and troubled times in loving support of each other. I will always remember dear Rose with her gentle ways, kindness and honorable manner with great respect. We will miss her and have missed her during her illness. May she rest in Peace in God's loving arms. Love from one of the Ladies Lunch Group, Kathy Dogger

I am so sorry for your loss. Rose was so helpful when MONICA and I were involved with the Senior Clementines of Lakewood. She was so dedicated to drive every month from Breskville. God bless her. Louise Gorman
