Dear Lynn, Kimberly, Nicole and Kevin. There are no words to ease the pain....BUT, there IS the pure joy of having Ron for so many years! Loss? Of course! Gains? What the man did was distribute happiness, love, kindness, joy, help and understanding to virtually all he met. It was plain fun and an education to watch him do and how he did it. He worked so hard and I'm certain the upholsterers in the sky have made him a cushioned recliner beyond belief. A mountain high condolence and mega-cyber hug to you all and the extended family plus friends! I am truly blessed, having had the "Pleasure of his company." Bob Jaskolka
