I will always remember that winter.so many years ago I called you out on 77 north. You had to get under the car to hook it. We talked for almost an hour of nothing important then he said I'm to old for this sh\_ \_ . I replied yea you are, you got a smoke? Another memory when Rich hurt his hand in the tire machine Ken was all upset pacing around talking gibberish. I looked at him and said.Kenny he is walking talking and breathing, his reply was you are right thank God and calmed down. Let's not forget driving in the lot on a dry summer day blowing dust all over and having Kenny and Joe screaming at me. Those are good memories I will always remember.So many more memories that we each have to look back on.My thoughts and prayers will be with Kenny, his family, the Hilltop clan and friends.God Bless you all.Charlie, I.P.D.

I am so sorry to hear about the loss of this great man. I will always remember how kind you were to me and also of your motorcycle riding adventures and your treasured red Harley. I think you put Vaseline on some of the chrome for added protection in winter storage. I will not forget the flash of your great smile and positive attitude. My heart goes out to all your family and friends especially Nadine, Richie, Doug and Jeff. Shelley Patena

I remember him taking his daughter Nadine myself to the airport and as we left I was like I left my fannypack. He just rolled his eyes and had a look of are you Kidding. I laughed about it later, but was intense at the moment. He also gave me a place to stay when I had chaos in my life. My friend Nadine my thoughts are with you and prayers for your family. A truly Special persons that will be missed.

We just heard of Kenny's passing. All those years of showing up to tow a car/truck no matter what the weather. His joy at playing softball at Elmwood Park. The courage he displayed in dealing with arthritis. That big smile he flashed when he spotted a friend. Just a few of the reasons it was my honor to have known such an exemplary man. Save us a seat at His table Ken.Fred & Mary Ann Wright

I am so sorry my family. It seems that we are losing the fine people that were the strength for us. Now we have to stand on our own. Your Father was always so kind to me. I am sure he will find his place in heaven. I am so sorry my Cousins, such a great loss. My heart goes out to you. Joanne Wilshanetsky
