I'll put forth my memory in the form of John Denver's 'Country Roads, Take Me Home' which my grandmother and myself always enjoyed. RIP Grandma xoxo...Almost heaven, West Virginia
Blue Ridge Mountains, Shenandoah River
Life is old there, older than the trees
Younger than the mountains, growin' like a breeze
Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads
All my memories gather 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in my eye
Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads
I hear her voice in the mornin' hour, she calls me
The radio reminds me of my home far away
Drivin' down the road, I get a feelin'
That I should've been home yesterday, yesterday
Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads
Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads
Take me home, down country roads
Take me home, down country roads

Mrs. Kabat was our loving neighbor who was more like family; she shared in our joys and sorrows and will be greatly missed. If I close my eyes I can hear her beautiful laugh which will always live on in my heart. Love, Deborah (Hybel) Scott

My sincere and heartfelt condolences go out now to the Kabat Family. Aunt June will always be with me forever in my heart and memories. As one of favorite Aunts, Aunt June never failed to greet me with a smile and a laugh. I told a good joke and she laughed! I told a crummy joke and she laughed too! It gave me the false impression that I was a funny guy and so we got along quite well. Who could not truly love a person that laughed and smiled all the time? I could not. All my memories of Aunt June are good ones. All of them. You can't say that about too many people. I'm sad the I will not be able to be in her living "light", but my soul is forever lit brightly and inspired for having Aunt June in my life. I will always love you Aunt June and I'm sad to see you pass from this earthly existence, but I am comforted that you are now at peace. Good bye for now...

Aunt June, always thankful for everything you did to make my senior year in high school very special. I'm going to miss your thoughtfulness and wry, observational humor. The Kabat and Chatting family trees lost a great member but will now carry your gifts forward on the many new roots and branches you helped grow. Godspeed, Nephew Randy
