So sorry to hear of Evelyn's passing. I had the good fortune of having known and worked with Evelyn when I worked for Mayfield Hts. P.D. and she worked for Key Bank. After retiring I worked with Evelyn at Star Bank...Firstar...and later US Bank. Evelyn's knowledge of banking coupled with her skills as an investigator made her a real asset, More importantly, Ev was always willing to assist our law enforcement partners and our bank investigator partners. I will always remember her kindness, sense of humor, and positive persona. I am so sorry we are out of state and couldn't make her services. Til we meet again. Rest in peace. Harold DeBoe deepest sympathies to the love of her life Bill and family

My dear cousin Evie. I have many wonderful memories. I remember when she showed me how to put on eye makeup when I was a young woman. I remember sitting with her at the campground watching all the different birds fly in to feed at the feeders she had set up outside the trailer. I remember her laugh, her positive and forever youthful spirit, her great love of animals. I will miss her very much.

Evie - I love you!! You were and always will be one of my greatest of friends. I remember when I first got Emily (my little YorkiePoo) you cradled her like a baby and told me, look at how calm she is. She is your little Angel. You are now up in heaven looking down at us. You are now our Angel. Such a friend to all, lover of all animals big and small. Loved your stories and the fun you always had with your cousins. The vacations with the love of your life Bill. You loved to people watch. As my heart is breaking, as the tears are running down my face, I know that your family is grieving. My heart and deepest condolences to Bill, the kids our campground family. Here are some pictures and memories. Love you now and forever. Cee Cee & Victor Mileti.
