I remember as a child, swimming in the underground pool behind the house. There was always a feeling of "welcome" - wrapped with conversation, laughter and food. To the family: Memories are made by the moments you share with each other. Those memories of Evelyn will bring you joy and sadness but most of all being grateful that she was a part of your life for a very long time. Giving her your love, brought her joy for many many years! Thinking of you Kathleen Cassie (daughter of Lillian Kosicki)
