Hey Buddy! This was the way I greeted Mr Art. when I would enter his room. Upon meeting Mr.Art he asked me if I had patience, my response was I have 2 grandsons, he opened his eyes and asked the same question again, he said you didn't listen lol. Mr.Art was very articulate in his speaking and he was a calculated thinker, in which I admired him for that. Knowing him for just a short month or so, he was a very caring man, he would often ask me if I was ok, I had to remind him that I was there for him lol. To be absent from the body is to be present with The Lord. Your smile would be missed, your presence can't be replaced, your handshakes was a representation of your character, your gentle laugh was infectious, My buddy rest well, you deserve to be free! Love you, my friend.
