Bob and I had many hunting memories together - He was a kind, fun and considerate to me as long as I knew him. We were always laughing together as we enjoyed duck hunting at mosquito lake marshes, and especially a great time when I convinced him to come out to N. Dakota for pheasant hunting - He always had a funny quip and kept a smile on my face whenever we were afield together - He will be very missed - Jim Murphy

Bill had a great laugh. He would act all mad at something then just start laughing. We were neighbors for many years and will always remember him saying hello across the yard, his gruff exterior was a facade, he was a teddy bear. This doesn't even begin to scratch the surface of our memories, he is forever in our hearts. Love you Bill, Michelle, Bob, Kristina, Cullen and Andy.
