# Dian Vyrostek

FEB 23, 2022

**D**IAN VYROSTEK, 78, of Pierpont passed away on Tuesday, February 23, 2022. Beloved wife of Lewis Vyrostek; dear mother of Lewis (Kathy), and Eric.

Dian was born in Cleveland on July 25, 1943 and grew up on a fruit farm in Richfield. The first 14 years of her married life were between Brecksville and Broadview Hts. The last 45 were in Pierpont, Ohio.

Dian was a loving mother and a very forceful woman who could move mountains. She loved being a tour guide for Buckeye Tours and she drove over a million miles driving Amish people to various destinations. She made and sold thousands of crafts over the years and had a creative eye for decorating everything she touched. She could make the finest meal from scratch without the aid of a recipe.

A private Mass of Christian Burial for the family will be held on Wednesday, March 2, at 12 noon at Mother of Sorrows Catholic Church 6034 S Locust St, Peninsula. Interment at Brecksville Cemetery. Memorial contributions may be made to Ashtabula County Animal Protective League at [www.acapl.org](http://www.acapl.org).

guide her home. Dad, the love that she had for you was infinitely greater than can be measured. You were her rock, her soulmate, and her confidant. Both of you were a team and were always referred to as Dian & Lew, Mom & Dad....although your heart is crushed – and I'm sure it's as real as physical pain, please remember all of the good times and hold on to them tightly, those moments will sustain you as the footprints in the sand go from two to one. She will always be there at your side, just out of view, loving you and guiding you as you continue life's journey. Please also remember that your family and friends are here to help.

My condolences to the family on both sides. I was her younger brothers daughter Jackie. I remember living with her and uncle Lew for about a year when I was in highschool. We had some great memories. I'll share 2 of them. 1 memory I remember I wasn't too fond of on that day 😞 I look bck and I smile cause we laughed at the end, I remember she wanted to teach me how 2 cook but for some reason I wasn't in the mood and had a bratty teenage attitude the whole way thru. But she did her best 2 make it fun and of course she was assertive also. Meatloaf was what she taught me how to cook and when it was done it turned out pretty good. She named it "Jackie's mad meatloaf " and wrote the recipe down. I wish I had that recipe now. Another memory I had was when She Home made my Homecoming dress, and it was beautiful just like her 😊 Rest In Peace to my aunt Dian.
