I have no doubt that I would not have graduated from pharmacy school without Pam's constant encouragement (often delivered with rolled eyes and a firm "Stop whining. You can do this."). I have so many wonderful memories of Pammy over the years. I wish I could share them all. She had the most generous heart and spirit, was adventurous, and rounded it all out with a quirky sense of humor that had me roaring with laughter with every visit and phone call.

Pam touched so many lives in the very best way. I feel so lucky that Pam was part of our Family. She will be missed!... and ... I will miss our 2x/week (rather feisty) discussions re: current World events over dinner! Love you Cuz, Christine M. Novak (Cricket)
