I first met Paulette in Nurses training 1963 in Middletown ohio. We became fast friends-she was in Davids and my wedding and was a frequent flyer to visit until she married Louis and their family came along. We kept in contact mainly by phone calls and we always picked up right where we had left off. Im heartsick thats shes gone but we will pick up where we left off when we meet again. Love to all the family. With love Susan Caldwell and families
