Although I didn't get to see Aunt Dolores very much I have fond memories of the times we did get to spend together, whether in CA at Universal Studios or in Vegas. Shared many laughs, condolences to all the family, she will be missed.

I remember Auntie Lorrie my first memory coming to the hospital when I had appendicitis and brought me a bottle of bubble bath. And when I was in Kindergarten she followed behind me in her car as I walked down York to make sure I was okay walking from Maple Leaf to her house cause we only went a half a day of school and she watched me in the afternoon. Already Miss you !! Love you always!!
