Uncle Joe was such an amazing person. Always willing to help you out with whatever you needed. He could fix anything, remodel a room in no time, heck even build a house. I know he loved his family. A great memory I have of him was when his granddaughter Julie was little and Aunt Eileen would babysit her during the day. As soon as Uncle Joe came home from work, he would change then Julie would be all excited to play with him. The memory that I love was Julie would have him crawl under the dining room table with her so they could camp. Rest In Peace Uncle Joe, you are missed.
