Catherine Vanessa Martin (nee Daniel) age 47 of Amherst, Ohio. Beloved wife of Robert L. Martin for 26 years and loving, proud mother to Ryan and Jacob Martin. Born and raised in Yuma, AZ, she was a graduate of Cibola High School. Cathy felt blessed to stay home and raise her boys in both Georgia and Ohio, then went on to a fulfilling position she was passionate about with University Hospitals as a Provider Administrative Assistant in the Infectious Diseases Division. She will be greatly missed, as she brought joy and smiles to all she met with a positive outlook and grateful heart. Cathy is also survived by her parents Betty and Jim Engels, sisters Donna (Jeff), Melissa (John), Jennette (Randy) and her brothers Nick (Mirella) and Mike (Denise), as well as eleven nieces and nephews, many aunts, uncles, and cousins. She is preceded in death by her father David and step-mother Nancy Daniel, her brother Tom Daniel and grandparents Tom and Emma Daniel and John and Alma Cope. Memorial Service will be held on Saturday, October 8, 2022, at 11:00am at St. John United Church of Christ, 204 Leonard St., South Amherst, OH 44001. A service in Cathy's hometown of Yuma, AZ will be held at a date to be determined. In lieu of flowers, the family suggests contributions be made to Blue Star Mothers of America, Ohio Buckeyes Chapter 26, PO Box 471, North Olmsted, OH 44070. To Robert, Ryan, and Jacob. I didn't hear Cathy complain in anything that she had on her plate. I am grateful for the time that I got to know her. Although our interactions were more brief than others, Cathy's kindness is worth noting and emulating! Your family will be in my prayers.--Karla Mallard RN at UH Minoff at Chagrin Highlands

The Yendewa family deeply mourns the loss of Cathy. I felt and appreciated her warmth and advice as I began my journey in motherhood earlier this year, and enjoyed hearing about her two sons, of whom she was endlessly proud. We extend our deepest condolences to her family during this difficult time.

Robert, Ryan, and Jacob "Cathy made it clear that the three of you are what she cherished most in her life. I want you to know that working with Cathy at UH was a breath of fresh air. The office was alive with her enthusiasm. Her inspirational messages that surrounded her work area are still resonating with all of us. The one that sticks out most is to BE KIND. She lived these words and I'm so glad I was able to witness this for myself. The time she spent and the care she exhibited towards each patient, even the not-so-nice patients, was wonderful to see. To sum it up, Cathy is greatly missed.
