Our memory that I will never forget is us watching Charmed together and her scratching my back the entire time, as well as me falling backwards out of the diningroom chair during dinner and the laughter almost didnt stop. To this day I still watch our show. Also don't sit in reclining dining chairs. The memories we have are great. Thank you for everything and being an amazing step mother to me. Love you. God sure gained another angel.

Our hearts are so sadden for the loss of our wonderful cousin and for the grief that her family is enduring at this time. You can tell by the life she lived by what she left behind. A beautiful family that she adored plus a lot of friends and memories that I hope will be a comfort in time. I am so blessed that I can say that this beautiful person is my cousin. We will miss her so much.

It breaks my heart to know that Nancy is gone. Nancy and I spent almost 30 years working together in the same department and also our last day of work was the last day for both of us. We walked out together. Through the years we shared many memories. She was a good friend and will be dearly missed. May she forever rest in peace. Prayers are with all of her family and loved ones.
