Walter Shimshock Obituary

Walter William Shimshock, age 88; beloved husband of Audrey (nee Malinosky); loving father of Lisa Fulkerson (Alan), Lynne Craig (Patrick), Lorie Walchanowicz (David) and Kristy Shimshock; devoted grandfather of Kelly Craig, Shannon Smith (Andrew), Michael Fulkerson, Shelby Walchanowicz and Courtney Craig; Walter is predeceased by his 11 siblings; U.S. Army Korean War Veteran and Purple Heart recipient. Walter will always be remembered for his iconic hat, his love for hunting and going to the casino, for betting his son-in-laws against the Cleveland Browns and most especially his love for his family. He loved socializing and always making new friends, he got a kick out of getting people drunk and it wasn't a party without a game of CLR. Walter loved Christmas decorations and Mariah Carey's "All I Want for Christmas." His family will especially miss his home cooking: rigatoni, chicken soup and homemade noodles. A private service was held.

Dear Dad, it has taken me 11 days before I could write on here and after 11 days, it's really not any easier. We all miss you terribly. You were such a good dad to us and we all love you so very much. I am thankful for all of the fun times and laughter that we shared with you, for the vacations to Canada and trips to Pennsylvania, games of 500 rummy and CLR, and evenings that we all shared partying around a campfire by the back porch. I am happy you enjoyed such a good long life and got to watch your grandchildren grow up. I will try to look forward to when we will all be reunited in Heaven. Perhaps Heaven will look a lot like the back porch with all of us gathered around a campfire once again.

Mr shimshock was one of a kind. The funnest person at a party!!! I remember when he was over for a potato pancake dinner. We had so much fun. One thing he wanted to know is â€œ when are we playing CLR?â€ He loved that game. He always was such a fun person to be around. I am sure he is happy in heaven, seeing all our beloved people and pets that went ahead of us. What a great reunion it will be when it is our turn. See you on the other side. Watch over all your girls

I remember all the good times we had and how your dad treated us all like family. All the family gatherings that I attended even going all the way to PA for some of them. He will be missed and always held close to my heart. He was a great guy and one of a kind.

Don't know how I will go through life without ever seeing you again. You and mom were the best parents anyone could ever have and I will always be grateful for the times we spent together. I will always remember the late night road trips, driving back from Pa and Kelly would put your favorite songs on. Memories I will always keep in my heart. One day I will be able to hear "My Own True Love" by The Duprees and will be able to smile again instead of bursting into tears. I will think of you and miss you every day, and will take as good care of mom as you did. ãĀ Love you forever, Lynne
