As young little girl, my Aunt Judi helped keep our circle of family continuously going around. As we divided and multiplied she found ways of always bringing us together. From Christmas celebrations to our family's traditional picnics at Uncle Ralph & Aunt Dawn's house. We outgrew so many of these houses but the memories we will never leave me as a person. I will always treasure the moments my brother Ryan & I had as she helped babysit us for my family. Her generous heart of servant to so many. It was a complete honor to visit with her last summer as I was home and we talked about so much. She touched my life and I will be forever grateful that she was my Aunt. Until we meet again in heaven save a place for me. And I know you are watching over us all now. Scott, Crissa and Josh we love you all so dearly and we will continue to pray for peace and comfort. God bless you all. Xoxo

I will always remember Joe, Judy and the kids coming to moms house to spend the night. They would make pop corn and watch TV. Also the many gatherings of the McNerney, Bird and Rooth families over the years. Judy was always the 1st to be there. Rest In Peace Judy!!!
