Jack and I were saddened to see the passing of this beautiful lady. Dorothy always had a smile and a kind word or a good hearty laugh with us. Her Mom worked with us at Johnnie's Floral Shoppe for many years. We have fond memories of that, especially her very awesome fried baloney sandwiches. My mouth still waters at the thought. The entire family was always special to us. We can't ever remember knowing such a large family with so much kindness and love exuded by every member. Our deepest sympathies to all of you. You have another angel looking over you. God bless you.

I came across Dorothy's obituary today and it was such a sad discovery to me. I always loved hearing her stories regarding her late husband, her family, and how proud she was of her grandchildren. She always brought a huge smile to my face when we would meet. My heart is a little heavier today learning of this news. Please know how very kind she was to me, and had a very caring heart. She would always make me smile, even when I didn't feel like smiling. I'll miss having lunch with her, we were never able to make plans for lunch in February - she was always busy during tax season. I will think fondly of her always, we shared many laughs. She will surely be missed, and know that she was surely loved. I was blessed having known her - I think of her as a friend for life - Thank you Dorothy!! Love Always, Rosemary Eager

My husband worked with Dorothy at LTV Steel Company. I just "found" a picture of Dorothy and Norm in one of our photo albums. And, it brought a smile to my face. We benefited from her kindness and appreciated Dorothy for her friendship. As we are social distancing with others during this COVID-19 pandemic, we reach out to you with heartfelt sadness. Our loss, heaven's gain!
