"Vita" Is what I liked to call my everyday friend. She was 100% unique a true one of a kind. She will so be missed my many. Dell had an incredibly strong love for her grandkids and loved talking about them. She also loved the sunshine on her face and the flowers growing in her yard. She looked forward to the new blooms daily. I will truly miss our one of a kind friendship! So many years together yet I will miss her much! Im happy for her reuniting with her family and friends that have passed on.
