I have so many good memories to help fill the emptiness left. Â My favorite is sitting in the backyard having our coffee in the morning and looking for angel wing clouds in the sky. Â When i see them now, i'll know they will be from you. Â

She always had a smile, a hug, an ear to listen, and a story to tell. She cared how our day was, and made sure the kids were ok. I will miss our daily calls, our visits, and your quick solutions to every little problem I had. You were beautiful inside and out. A piece of my heart is gone. I will miss you mom.
