I remember seeing you and your brothers after school in the parking lot behind the old tops. My mom and your mom waited together to pick us up from school. Bert, I never thought I would see you go so soon. You always lit up the room you were in and everyone always wanted to be around you. Our meeting was by chance through your friend and then we were inseparable. Not a day goes by that something doesn't remind me of you. A movie, a song, some stupid saying.... I've got hundreds of memories and inside jokes with you and I will cherish those forever. I love you dude. Rest easy. Oh, and I know you want the world to know that CFC doesn't stand for cute fâ€™in chick.... hahahahaha. I'll see you one day buddy
