Hi Dad, Today is 9 long years since you left us. Things will never be the same without you. You were such a huge presence in the family. It still feels like yesterday and so fresh in our memories the day you were taken from us. I wish you were here with us. So many things have happened that you missed out on here with us but I know you have been watching from above. I miss your nicknames for everyone and also hearing mine. Lol. Today is going to be a hard day for us. I love you very much. Till we meet again. Michele
