Dear Knapik Family, I just wanted to offer my sincere condolences for your tragic loss. Although this is a difficult time may you be comforted in special memories as well as the love of family and friends. I too lost someone I held dear and what I found to be very comforting were the promises found at John 5:28,29 about the resurrection hope as well as Rev. 21:4 where God promises to do away with all the things that cause us suffering and pain including death forever. It is my sincere hope that these thoughts bring your family comfort as well. Laura

Chris our thoughts and prayers are with you and your family in this very sad time. The Messenger From an Angel on high a tender message of love was softly whispered into the ear of this humble scribe.... Weep not for me now that I have passed. Remember the laughter, the affection, the joy not just the recent tears. Cherish the memories, our hopes and dreams. Hold fast to the love that we shared. Be happy with the time we spent together and being anew. For I am not really gone, I am closer than ever before. As the morning sun rises and throughout the busy day...I am with you. Until the setting sun disappears on the horizon and we watch the day turn into night...I am here. You may feel a faint breeze stir round your head, while you slumber as I gently kiss your forehead, "Good night." The stars that shine so brightly in my heavenly sky help me watch over you and keep you from harm. I am the wind in the trees and the song of a bird. I am moonbeams in a midnight sky and a glorious rainbow after the storm. I am morning dew and freshly-fallen snow. I am a butterfly flying overhead and a puppy happily at play. I am a smile on a stranger's face a gentle touch a warm embrace. Listen to the wind for my message of love. Watch the sun rise and set in the sky with me. Feel my essence encircle you with warm memories. Open your heart to know...I am not gone. Reach deep into your soul...You will find me. I am here. Have no fear. I am with you, Always.
