My sincere condolences to Al's family. I was out of town and did not hear of it until it was too late, otherwise I certainly would have come to the services. So long Al, my prayers are with you and your family. God Bless. Ray

Big Al, many times over the years I've thought about the friendly bantering between us. "Who was the best looking", you won that hands down, "Who was the coolest and toughest", (still to be determined.) Al was such a real person Audrey, I'm sure the two of you had a good life together. I'm very sorry for your loss and really regret Big Al and I couldn't have had one more friendly argument.
