June 16, 2011 I am so sadden by the recent demise a sun a great lady. Soozie and my deceased wife Christine were such great friends. The two of them were always sensitive and caring for each others needs even when family members stopped caring. What a shame to have such a troublesome life. I know that God will now take all of her pain away, both mental and physical. I and my daughters will never forget this great lady and know that she will be greeted by the hand of God as she enters the great life beyond. Soozie will never be forgotten by our family.
