I met Tommy when he would occasionally come to our home to visit my sons. He was always friendly, polite and treated my family and myself with respect when in our home. All of us were deeply saddened to learn of his very tragic death. Tommy, God be good to him, and his family will be in our thoughts and prayers. God bless all of you at this very difficult time.

Tommy was someone that really lived every day to the fullest. So sweet and genuine (especially to our children), we're so grateful for having known him. While I know that words are only a small gesture of support and cannot take away your pain, we want you to know that his spirit has touched many people's lives as it has ours. Your entire family is in our thoughts and prayers.
