Bob & Lisa- I'm truly sorry to hear about your loss of a loved one. I have informed some of the employees who know you well. I'm positive he was great man if he had the pleasure to know the both of you. If there is nothing I can say or do to take the pain and loss away but you and your family will be in my thoughts and prayers! Please reach out to me if there is something we can do.

Dear Lisa, I was so sorry to receive Bob's message this week about your father. I lost my own dad long ago, but not one day passes that I do not think of him, smile, and feel his presence. Hang on to your loving family and remember him with love and smiles. Thinking of you and Bob, Fondly, Holly Scott

Dearest Lisa and Bob, God's Blessings and Peace to you both and your families. I know you know that your father is now in our Lord's hands and his pain is gone and he is now at peace and with his loving wife, your mom. Your solace is that he was surrounded by his loved ones and you helped him on his journey home to our Lord. You are in our thoughts and prayers. Much Love to you both....always

To all of the family, so sorry to hear about your loss. I cannot imagine the void of losing a father what it does to a family. He had wonderful children and grandchildren to surround him with love. Now, he has his wife to comfort him. You are in my prayers to get you through this difficult time. You can pick your friends but, you cannot pick your family. Gather strength from each other and love each other for that is what your parents would want. Take care all of you. Istenes family
