I knew Katie for Four years and it was a good for years, all the funny things she would say. Always question after question...one of her questions got answered, "Am I going home?" You are home Katie with the people you really missed, Mom & Dad. We will miss the funny statements, the singing, swearing,dancing, etc., but you are in a place I strive to get to one but not too soon, until then be at peace and keep on singing and dancing for God. Thanks for four memorable years.
