Dear Joanne, For the past seven months it seems you were the only reason for me that made any sense. It was an honor for me to be your caregiver. I hope you know how much I loved and admired you. I will miss you so much. On Wednesday I had no where to go, my heart is broken. Joanne, I am so happy you came into my life if only for a short while. Be proud of the legacy you left. I LOVE YOU MY PRECIOUS FRIEND. LINDA
