Joe Powell posted:

To the loved ones and friends of Dear Pauline Lemoine: I was an inspector for Pauline for many years, at Gould Electronics. She was a very special person; and confided in me in later years of the hard life she had - but that never changed the sweet, caring person that she was. My mother and I loved her very deeply. My prayer is that God comfort and strengthen you all in a way that only He can; and that you treasure the sweet memories of our Dear Pauline. Joe Powell
