Eva, Brian, Scott & family, I am so very sorry for your loss. It doesn't seem fair that someone as "genuine" & kind as Andy had to leave so young. His memories will always leave a warmness in my heart. We always looked forward to his smile & strength on our Tues & Thursday deliveries & stories about his family gatherings. He will truly be missed. May God give you strength through this time.

Andy was a very special person. We had the privilege of having him as our OVF delivery driver. He always had a smile, and something nice to say. No matter how much we had to do, he never complained. This is a great loss for not only his family, but for his employer as well. It is very hard to find someone that cares about his job, and customers like he did. We will miss him!
