Sandy, Marlene, Dina and family of Linda M., I was one of Linda's many students at St. Therese from 1982-1983. I had the chance to interview in the 8th grade for a school newspaper and I recall her talking about how much she loved teaching and her students. She was my favorite teacher at St. Therese and has forever touched my heart with her kindness. I know many of my friends and family who feel the same. Hugs to you all in your loss of such a sweet, kind, and beloved woman.

Miss Mastrodonato was the most amazing teacher! I was fortunate enough to have her as my third grade teacher in 1988-89. She touched my life, and I will never forget her. She is the reason that I am a teacher today. I can remember thinking that I wanted to be just like her when I grew up. We were all her little "munchkins" and she made us feel so loved. She touched so many lives, and we are all so blessed to have known her.

My deepest sympathy in the loss of one of the sweetest, kindest persons I have ever come in contact with. I worked with Linda at Jay Drug on Turney Rd. years ago and there wasn't a day that we worked together that she didn't have the biggest, brightest smile on her face. What a truly remarkable woman. She lived life to the fullest and her dedication, enthusiasm, compassion and genuine love for all people should serve as an example for all of us. Rest in Peace....you will be deeply missed.
