John, I and our girls (Brittany and Taylor), are very saddened of Tim's passing. We know these last few years have been difficult for Tim and the family. John tried to stay in touch with him and would call him from time to time to see how he was doing. Tim was always in our prayers. We have many fond memories of our families together, especially Alex and Brittany playing together, and now they are both grown up. Tim will continue to be in our prayers as will his family. We would love to see you Alex and your brother and mom. If your in the Rocky River neighborhood stop at our gym. It's 21330 Center Ridge Road. God Bless you all. Love, John, Denise, Brittany, and Taylor Black

Dear Frank, Michael and family, Please accept my condolences. I am so sad to hear of Tim's passing. I was also unaware that Mary had died. I am so saddened to hear about Tim's death because he was so young. I've known Tim since he was a shavetail, doing amazing wrestling moves as a fourth grader on a scrap of wrestling mat in the basement. He had that infectious Hasychak enthusiasm! Mary was/is such a kind, caring and sweet mom. I've lost touch with your family over the years, but I am very sorry for your loss(es)! I will keep Tim and Mary in my prayers. Tim Lea
