Dear Fogarty Family, I am so sorry to have read of your loss please accept my sincere condolences. Something that may bring your family comfort is what the Bible says at John 5:28,29 And Revelation 21:4. These verses talk about when God is going to bring about a resurrection and how he is going to get rid of all causes we have for suffering so that we can live in peace. I really hope this brings your family comfort. Rebekah.

Kathy, Jamie and Pat, My greatest sympathy is with you and your families. My childhood memories are full of your Mom and Dad and I loved them both so very much. Your Mom was so special in many ways. I will always remember her smile and her laugh. I am so sorry for your loss. Prayers and love, Sis
