My condolences to Art's family. I will always remember working with Art as a young law clerk. He would often give me fatherly advice, and debate philosophy and politics (I could rarely outwit him in such a debate). One can feel nothing but sadness at the loss of such a lively and intelligent soul. My thoughts are with all of his family, who he loved dearly. Art will be missed.

Dear Wincek Family, I just wanted to send my sincerest condolences for your loss. Although times such as this are very difficult may you find solace in the love of family and friends. I have also found much comfort in passages such as John 5:28,29 which speaks of the resurrection hope as well as Rev. 21:4 where God promises to do away with all the things that cause us suffering and pain including death forever. It is my sincere hope that these thoughts will bring you comfort as well. Once again I am so sorry for your loss. Laura

I believe, like my father, Art had a great life. Whenever I bumped into Art at a family gathering, so many years ago, he was always enthusiastic and engaged with everyone. Always smiles and lots of questions about what was going on with you. And tons of stories. It seems as if he lived his life to the fullest and really enjoyed himself all along the way. His absence will be felt by many for a long time. Greg, Lynn & Julianna Stine, Plano, Texas
