To all our family and friends, We have lost one of the kindest and gentlest souls I have ever known. And this loss comes way too early. She was a truly beautiful person, and someone who always meet you with open arms. The glue that bonded all our families together, who we will sorely miss and whom no one can replace. She is now free of the bonds of the physical that so cruelly held her in her final months. Rest in peace Maria . We will miss you greatly. God bless and I love you. Cousin Harry
