Found this in a stack of old pics, that's me behind the sign in the blue shirt, if you heard the story of the kid that brought the turtle for show and tell in her class it was me! lol she was super nice and had her hands full with all those kids, we all watched the Challenger explode on tv in her class. Miss you and thank you to her family for sharing her with us!

Miss Dziak was my supervising teacher at Mt Auburn Elementary School in Cleveland. I was very inspired by her enthusiasm and hardworking dedication to all of her students. Ms Dziak gave me so much encouragement and so many ideas. I was well prepared to lead my own classes and recently retired from teaching after 30+ years. I extend my deepest sympathy to her devoted family. I know that you will miss her warm smile and effortless love and kindness. Ms Dziak led a blessed life and it was my esteemed pleasure to have known and worked with her. My prayers are with you all, Lynnita Mitchell Carter

What a wonderful dedicated CMSD teacher. I worked with Ms Dziak, but I honestly can not remember what school. She was a role model and a dedicated teacher. She made sure all of her students learned and succeeded in her classroom. I extend my condolences to the family. I taught at RB Hayes, Gracemount, Woodland Hills, and Mt. Auburn. I am sure it was at one of these schools she taught me how to be an effective reading teacher .
