To The Family: My name is Annette. I would like to express my deepest sympathy to each of you. We are not acquainted with one another, nor was I acquainted with Mrs. Sitzenstock. However; we are associated with the pain that comes when our loved ones fall asleep in death. Our Heavenly Father feels the pain that you are going through. He has a brighter future for us. He promises that the day is soon to come in which he will wipe away the tears of sorrow from our eyes forever and death will be no more. (Revelation 21:3-5)

Due to certain circumstances, we cannot be with you today to celebrate my mother's life. Most of you knew my mother very well. Her traits were one of deep love and compassion for others. She was a caregiver and she loved life. Not being a person of means, she would give what she had to help someone in need. Having a love for animals, she would take in strays and care for them until their life was complete. As I look back on my youth, I remember her singing the Ave Maria as she washed the dishes. She had a beautiful voice and to this day in my heart, I can still hear her singing with joy. I have nothing but fond memories of this wonderful person I call Mom. She loved me and taught me right from wrong. She was an inspiration to me and I love her very much. She will be missed by her grandchildren and great grandchild as well as all of you in attendance today. Without a doubt, this wonderful person is with our Lord and Savior Jesus Christ, looking down at all of us from Heaven and waiting for our arrival to the gates of Paradise to be together for eternity. God bless each and every one of you. Sincerely John, Janis and Gabby Tricia and John Melissa, Chris and Noah

Grandma, I love you and miss you so much. I will always remember picking cherries from the cherry tree in your backyard, going to the movies a lot, and your love for animals. You were loved by many. Now God has you to take care of my Max and Tigger and be with Grandpa. I'm so glad Noah got to know his great grandmother. I know you are in a better place. Love, Melissa

Mary was such a wonderful woman. I am proud to say I had the opportunity to know her and have the time I did with her. She put up with many of our hyjinx! lol. May you find peace in this most difficult time. Please always remember, she is there. She's not gone in the sense that you are alone. You just have more creative ways of communicating! :-)

Also know that Paula and I are here, no matter what you need. With much love, Wheeler-Mullenax Families
