Dear Tim and family I had the honor of knowing your Father not only as a co-worker but as a Man and he was a pleasure to be around. He was a Man's Man and always had time for you as a person. He was one of those special people that some of us are blessed to have known. Somehow in His own way he had the ability to enrich a persons life and somehow make it better or make you a better person. My Sincere Condolences , May God Bless You all. Mike Manko
