Darlene and family. My parents just informed me of your mothers passing. Dar, I am so sorry for you loss. During my youth in spending so much time with your family I have such wonderful memories of your mother. She was one of the kindest and loving mothers one could have. She always made me feel like I was a part of your family. She was a great cook and made the best peach pie I have ever had. Our thoughts and prayers are with you and your family today. With love, Ellie
