Ed and Linda, Please accept my deepest condolences on the loss of your Father and Father-in-law. The past couple of years have been too filled with friends and loved ones leaving us and the grieving process takes a long time to heal. Just remember that you have a great many friends who love and care about you and will pray and support you during this rough time. Our prayers are with you, Gina and the entire family. I have to apologize as I need to be out of town on business and will miss the funeral, but you will be in my thoughts and heart.
