Bert and Bernadette even though I had lost track of your family I had often thought of you. I was very sorry to hear of your mother's illness and death my heart goes out to you and your families. The only comfort to find is she is at peace. Take care of each other.

Bert and Bernadette I am really sorry for the loss of your mom. She was on my mind everyday for quite some time now. I am happy that she is no longer uncomfortable and in pain - but I am sad that you now are. I wish I had known her better. She must have been very special to produce kids as great as the two of you. I am sorry I cannot be there physically over the next few days - but my mind and heart are with you. Lots of love to you both. James
