Jerry, My deepest sympathy to you on the passing of your father. I am sorry that I could not attend your visitation as I am traveling. I understand that you were able to spend time with him during his last days and that he died as he wished peacefully in his own home. He is in a better place. Craig & Karen

Dear Jerry and Kopp family, I never met your dad but I have known Jerry and the character and integrity and commitment to family that he has which I believe is a reflection of the modeling that Jerry received from his dad, Leonard. Through the Son we are able to know the Father. God bless and hold you close to Him in this time of sorrow.
