Kathleen -I tried to reach out to you several times with the contact information my father had for you. I am sorry it took 15 years for you to find out he had passed away. He was sick for many years, please know he was at peace in the end.

So sad to hear of David has passed, it breaks my heart to know my father died and no one thought it was important to try to reach out to me, but I am at peace to know the truth, may you fly high and know I love you!
