Although a lot of time has passed you are and always will be Uncle John , my Godfather. I have cherished memories of time spent at your fathers house. Playing ping-pong in the basement. It is a memory that came to me when I received the call. I always remember you smiling and laughing. Something you passed to your children. I regret that I never took the step forward to continue a relationship with my GodFather. You will be missed Uncle John Say Hello to Grampa and my Dad. Love, Your Nephew and Godson, John
