Doug, I was so sorry to hear you lost your dear mother just a month ago. I missed it in the paper and did not know until today. When I look at her photograph it reminds me of my mother who died on Friday of Labor Day Weekend 10 years ago. She had just turned 88 as your mother would have done last week. There are many people who would say "your mother lived a long and healthy life", but we are never ready to give them up, no matter how many years we've shared with them. My thoughts are with you and your family. I know you two were very close and I'm sure you will always treasure those beautiful memories. Sincerely, Pat Melaragno

To Rose's family. I am so sorry to hear of Rose's passing. She was a bright sparkling gem of a lady. I count it a blessing to have met her and spent time laughing with her and getting hugs from her. I'm so glad she was able to get her wish and return home for a while. Joy Milano (one of Rose's therapists at St. Joe's Villa)
