Hello Sabo Family-I was the nurse that met with you after you brought your father into the ED at the VA. I was so sorry to hear of your father's death, but so glad that I got to meet with you and hear such wonderful stories about your dad, especially the about the bridge and Gen. Patten. I know that you all are grieving especially so soon after the death of your mother. My prayers are with you and your families. Barb LaVogue, RN
