How I love you , Jeff ! So dearly ! You have always made me feel so loved as if I were your very own Mom. I'll treasure you always and will remember forever, the happiness I felt when I saw you and all the nice things you did for everyone you loved. I couldn't leave without saying bye to you on visit. You were so encouraging with advice. You came an picked me up. So upbeat and a sweet guy ! You were a true gentleman with a loving heart. Every year for all these years, you would call and sing " Happy Birthday " to me if I didn't answer, on both phones. There are no words to say how much I will always miss you. You sure are a Teddy Bear. Thank you for loving my daughter and being my son too. Love , Mom I'll miss ya so much.
